*OMB Control No.:* 1902-0084

*Type of Request:* Three-year extension of the FERC-547 information collection requirements with no changes to the current reporting requirements.

Section 16 of the NGA authorizes the Commission to prescribe rules and regulations necessary to administer its refund mandates. The Commission's refund reporting requirements are located in 18 CFR 154.501 (Refund Obligations) and 154.502 (Reports).

The Commission uses the data collected in FERC-547 to monitor refunds owed by natural gas companies to ensure that the flow-through of refunds owed by these companies are made as expeditiously as possible and to assure that refunds are made in compliance with the Commission's regulations.
